## AGENDA TOPICS

### 1. Resource Fair

Discussed possible dates for resource fair was determined May 3<sup>rd</sup>, 4<sup>th</sup>, or 5<sup>th</sup> between 10:00-2:00 pm would work best around student schedules. Vicki Johnson is consulting with Blackfoot High School to see if possible to hold the venue in the gym and possibly some classrooms.

Becca advised if we target a youth group Voc Rehab could provide transportation funding for students from other area schools. Focus will be mostly Jr's and Sr's but also want to include the whole community. Our goals will focus on housing, transportation, employment, and other services available. Some other ideas were presentations or individual breakout sessions to include services for Transitions, DD, and Migrant services.

It was decided that three sub committees will be initiated for the planning and logistics of the resource fair.

**Program** - Will be headed by Becca Freeburne

**Resources and Vendors** – Miriam Vail, and Jim Gardner volunteered for this committee as well.

**Advertising** – Will be headed by Lisa Tornabene

**Logistics**- Will be headed by Vicki Johnson

It was decided that everyone should participate in a committee voluntarily and if not then you may be assigned to one. Please email Sindi Crosland (job\_placement@msn.com) to sign up for a committee. The goal is to have all the planning done in March or April.

### Other things of Note:

Discussed 211 was our recommended source of information, but will look into maybe a business card with resources only available to Blackfoot such as SIECCA, Mayor Loomis will reach out to them to see if they may be interested. Donations for a homeless drive was suggested but tabled.
