Meeting was held at City Hall in Blackfoot Idaho 83221

New Business:

We will get a meeting set up with the transportation administrators to see what they have available for individual

Employers Breakfast

We will send invites to the chamber and market through them as well with their newsletter that goes out.

We will get with Leslie at the paper and see if she would be willing to do an article a week leading up to the breakfast. It was suggested to do an employee award to recognize an employer in our community. We will visit more about that award will look like. In the packet of information given to the employers that come to the breakfast, we will have information about financial help employers will receive. Toni or Becca will give a brief presentation on employer incentives. We will also have short testimonials from employers and employees who have benefited from the services. We will look for donations to help with our breakfast. Lisa will get with Dads to see about cinnamon rolls possible contribution from chickfilet and seeing if sage trucking will help out with a monetary donation. Ogdens tires has agreed to sponsor. Make sure United Way gets an invite.
