

Transportation Commission Minutes
June 28, 2023 @ 0800

Attendance: Mayor Marc Carroll, Police Office Manager KimberLee Arms, Chief Croft, Scott Murphy, Curtis Cannon, Julie Conan, Ronnie Murray, Aubrey Carlsen, Laurie Keyes, Dennis Parker, Michelle Kofoed & Adrianna Pelayo

Called to order: 0800

Approval of May minutes: All in favor

Old Business:

- LTHAC Fisher St Project Update
 - Phase one - Road has been stripped down and curb and gutter being installed.
 - Phase two to Judicial has been started for needed replacements.
 - Three of the seven ditch lines have been replaced.
 - ADA compliant accesses are being installed.
 - Reverse angle parking is in the plan, commission agrees it should be angle in parking.
 - There will be no more angle in parking on the homeowner (west) side. A delinier barrier is being placed in the center. Angle in Parking will be added on both sides of the northbound lane.
 - Underground irrigation pipes are being replaced as the road is stripped down as a separate project.
- Safety on Streets
 - Streets of concern
 - Parsons & Airport – Has been trimmed (Can be removed)
 - Market & Meridian – Not a violation (Can be removed)
 - S Birch & Judicial – 10 Day letter has been sent
 - Arby's/Burger King turn
 - Has been trimmed (Can be removed)
 - Riverton/Camas
 - Has been trimmed to 5 feet, working on getting them to 3.

New Business:

- SICOG
 - Safe Streets and Roads for all Grant Due July 10th so we will not qualify this year.
 - 20% match requirement from the city. (Cash or in kind)
 - Works on a reimbursement basis.
 - 5 years to use the funds.
 - Program is designed to be used to increase pedestrian and bicyclist safety.
 - Can be used to fund city wide improvements on the same application.

- Can be used to fund creation of or update existing transportation and action plans approved prior to 2018 or it be used to implement existing plans.
 - Needs to start with an adopted city plan.
 - Aubrey will send links to websites attributing to these grants.
 - Dance Studio at 280 N Broadway
 - Dave says Tuesdays and Thursdays at 1230 are the most congested.
 - Curtis Cannon plans on looking at the area tomorrow.
 - Summer allows them to spread out the classes more.
 - Curtis Cannon believes there should be a Stop sign at Alice & Broadway.
 - Scott Murphy will require Maverick to put one up.
 - Dave was told left lane must stay open and suggested to get a crossing guard.
 - Safety on Streets
 - N Meridian onto Airport and into Jensen's Grove needs to be more clearly marked.
 - Scott Murphy will be adding a Right turn/straight arrow to the right-hand lane.
 - Overnight downtown Parking Ordinance is being suspended due to issues.
 - There are several residences with Alley Ways being torn up, leaving nowhere for residents to park.
 - There is a 24-hour business where customers need to park on the street.
 - Late night bar patrons leaving their cars in favor of finding safe rides home.
 - It is being discussed to issue a City Proclamation instead.
 - Chief Croft suggested making a free Residential Parking permit for areas around the school to assist with wrongly issued Student Parking Violations.
 - New City updates
 - Van Orden Property at Highway 26 & Highway 39 –
 - Maverick Super store was going to go in there but there were issues with ITD on access.
 - Garth Van Orden has filed a tort claim and looks to be going positively.
 - Maverick is no longer interested but another gas station has put in a letter of interest.
 - It will possibly of bring in 2 new fast food restaurants.
 - Downtown Sewer project is being rebid.

Meeting ended 0921 a.m.

Next meeting Scheduled July 26, 2023
